

Map Lecture 25

[00:36](#)

Practice Questions:

Note: Its hard to find practice questions particularly for STL as they are generally used with other concepts involved hence not providing a lot of them in STL videos.

Below are some questions for practice:

1. <https://practice.geeksforgeeks.org/problems/twice-counter4236/1>
2. <https://codeforces.com/problemset/problem/525/A>
3. <https://codeforces.com/problemset/problem/4/C>
4. <https://www.hackerrank.com/challenges/cpp-maps/problem>
5. <https://www.geeksforgeeks.org/tag/cpp-map/>
